***LADIES, this year one of our flights is going to be a social scramble flight. This will be for ladies who might not play golf outside of league and are not extremely concerned about posting of scores. We want everyone to have fun and enjoy themselves and are trying to make a flight for those of you who would be a 2-person team but play a scramble each week against another team. You would not be able to post any scores from league, but you would enjoy competition golf, prizes and camaraderie of all the ladies. If you are interested in this flight, please mark here that you would like to be in this flight.
