Crew Signups / Cancellations

One of the most common frustrations amongst the group has been the sign-up process. Calling the pro shop to sign up or cancel Crew play can be cumbersome to the player and the pro shop staff. Going forward, we have set up a dedicated email account as the **preferred method** for Crew sign up and cancellation.

The email address is thecrew@eaglehillsgolfcourse.com.

Members simply need to send an email to the dedicated account to sign up, and if your plans change, to cancel. You will receive confirmation that your message was received. The pro shop staff will monitor the email account throughout the day and add / delete players accordingly. No need to call the pro shop unless you sign up or cancel after 5:00pm the day before play. If you do sign up / cancel late you should call the pro shop no later than one hour before The Crew is scheduled to tee off to confirm. You will be able to sign up for Crew play 14 days in advance. This new process will go into effect beginning in March, however I encourage you to all to use it when you play in January and February so everyone can become familiar with it.
